Markham, ON L3R 9W3
(Free admission & parking)

CANADA 150

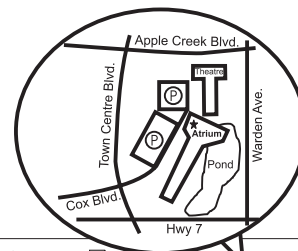

Celebrate our Native Plants!

Plants provided by NANPS-approved ethical growers.
Knowledgeable experts for assistance.
Displays by NANPS. Learn about pollinators,
conservation & local environmental groups.

Benefits of Native Plants

- Adapted to local soil, moisture & temperature conditions
- Thrive without fertilizers, pesticides & supplemental watering
 - Provide food & habitat for wildlife
 - The best and often only food source for pollinators
 - Hosts for butterfly larvae
- Support insects that transform plant energy to protein for other species

Also join our colleagues at the High Park Community Advisory Council plant sale on May 7, 2017 • www.highpark.org
