Knowledgeable volunteers available for assistance.**

Benefits of Native Plants

- Adapted to local soil, moisture & temperature conditions
- Thrive without fertilizers, pesticides & supplemental watering
- Support the needs of local wildlife, including mammals, birds, and insects.

North American Native Plant Society

info@nanps.org • www.nanps.org

NANPS is a volunteer-based charitable organization

*Dedicated to the study, conservation,
cultivation and restoration
of North America's native flora*
